How do I use the machine?

Our experienced staff will demonstrate how to use the controls and are available during your visit to answer questions.

How long will it take me to play 9 or 18 holes?

For the average player, 9 holes takes about 30 minutes per player, 18 holes takes about 60 minutes per player.

Can I play with friends?

Absolutely! We encourage you to bring your regular foursome and sign up for our Winter League.

Can I use my own balls?

Of course! We encourage you to use the balls you play with on a real course, however, we require that there are no markings on the ball. You can play a full 18 holes without losing one!

Do I use my own clubs?

Absolutely!

What should I wear?

While we don't have an official dress code, we suggest that you wear your normal range or course attire. If you're not a golfer, wear something comfortable as it does get warm. However, closed-toe shoes are required.
